# Fishing Trip Facts August 30, 2024

**Address:**

Seaforth Sportfishing  
1717 Quivira Road  
San Diego, CA 92109  
619-224-3383

**Name of Boat:** San Diego

**Time:**

Arrive at 5am. **Boat will leave sharp at 5.30am.**

**Parking:** Seaforth Sportfishing has good parking available.

**Cloth:** bring a warm jacket. It is always much cooler on the water. Sun screen sun glasses and hat. Wear sneakers or other sturdy shoes.

**PASSPORT:** You will need to bring your passport.

**Fishing License:** If you do not have a valid fishing license you can buy directly from the tackle shop in the morning. Be there a little earlier to have time to get license. Oliver can assist if needed.

**Fishing Rod:** if you do not have one, the tackle shop rents rods and reels for the day. Be there a little early to give you some time in the tackle shop. Oliver can assist if needed. Be aware that we likely need a Mexican fishing license.

**Food:** the food for the day is covered by your ticket. Breakfast, Lunch and Dinner

**Tip:** the tip for the crew is covered by your ticket for the day. If you feel that the deck hands did an exceptional job you can add some extra.

Drinks and Snack can be **purchased** on the boat. They have coffee in the morning, soft drinks and beer. Also snacks like snickers and chips. Have **cash** on hand. No credit card or Apple pay.

**Fish cleaning:** you have the option to have the crew filet your fish on the boat for a fee. **Bring cash**

**Tackle:** look up the Seaforth website a day or 2 before the trip <https://www.seaforthlanding.com/> . They have tackle recommendations listed. The rental rods are setup for current requirements. No need to buy extra tackle. The boat has extra hooks or a fellow fishermen can help with his overloaded tackle box (most fisherman).

Bring a cooler that you keep in your car for your trophies. You can buy ice at the tackle shop at the return of the trip to keep your fish cool.

Call Oliver if you have any concerns or questions.
